two of the greatest fears in life come in the form of questions we often ask ourselves but rarely say out loud am i okay and do you love me the answer the gospel gives us is both surprising and just what we need to hear no you are not okay and yes i love you

jesus holds these two truths about us together and this is the good news we desperately need

despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama love in contemporary british drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned

have you traded in the christian dream for the american dream does a passion faith filled life seem impossible are you ready to get real with god and renew your heart in his love if you like many believers today are weary of playing church and long to live a heavenly life beloved believer return to the arms of jesus will refresh and restore you each section is based on scripture and is designed to lift the eye to the almighty god in jesus christ not for fluff seekers this book delves into our humanity and the greatness of god debbie ibanez challenges today s christian concepts with directness and love beloved believer return to the arms of jesus is for those who are willing to ask themselves hard questions and who are yearning for lives filled with the joy of christ beloved believer return to the arms of jesus taps the brakes and disrupts the humdrum cruise control christianity that drives too many of us debbie ibanez does us a good favor by giving this timely exhortation to wake up and strengthen that which remains revelation 3 2 a david sitton president of to every tribe ministries

ascend with light is a culmination of 40 years of one woman s search for truth behind existence it explains the physical and metaphysical importance of light in our lives for healing anti aging ascension on a personal and planetary level as well as discussing other spiritual and metaphysical topics such as prophecy a new earth and raising your light quotient it has an extensive section on healing and co operating with the archangels and angels in our everyday lives and it explains some biblical sayings in a contemporary spiritual context its main purpose is for personal empowerment and to

help people connect with their own source of light within

why did hagiographers of the late middle ages praise mothers for abandoning small children how did a group of female mystics come to define themselves as apostles to the dead and end by challenging god s right to damn why did certain heretics around 1300 venerate a woman as the holy spirit incarnate and another as the angelic pope in from virile woman to womanchrist barbara newman asks these and other questions to trace a gradual and ambiguous transition in the gender strategies of medieval religious women an egalitarian strain in early christianity affirmed that once she asserted her commitment to christ through a vow of chastity monastic profession or renunciation of family ties a woman could become virile or equal to a man while the ideal of the virile woman never disappeared another ideal slowly evolved in medieval christianity by virtue of some gender related trait spotless virginity erotic passion the capacity for intense suffering the ability to imagine a feminine aspect of the godhead a devout woman could be not only equal but superior to men without becoming male she could become a womanchrist imitating and representing christ in uniquely feminine ways rooted in women s concrete aspirations and sufferings newman s womanchrist model straddles the bounds of orthodoxy and heresy to illuminate the farther reaches of female religious behavior in the middle ages from virile woman to womanchrist will generate compelling discussion in the fields of medieval literature and history history of religion theology and women s studies
